

APPENDIX 7.14

ENVIRONMENTAL PROTECTION & POLLUTION PREVENTION

This section is intended to assist bidders in preparing their various responses regarding an Environmental Management Program (Contract Exhibit O) and responses to Principal Factor 1 in PART 5 of this prospectus. Please view the file titled “Chapter 12 - Environmental Protection & Pollution Prevention” on the Lake Berryessa website at; <http://www.usbr.gov/mp/berryessa/prospectus.html>. This document (approximately 75 pages) is an exact excerpt from Reclamations Concessions Management Guidelines and will provide some direction and/or general ideas on various approaches regarding the environmental management requirements of this prospectus and the eventual final contract.

Please do not attempt to develop an EMP utilizing this Chapter as any more than a helpful resource in conjunction with direction provided in Section 3 of the Draft Concessions Contract (PART 6 of this prospectus). It does represent ‘Best Management Practices’ as it relates to the subject matter.
